

# Mukesh Jain -Astrologer

**FITNESS  
ASTROLOGY**

When it comes to the subject of Astrology, Mukesh Jain is one of the most well-known names. With immense field work of more than 20 years in Astrology, he stands out to grab the international fame. His work, indeed, is peculiar as are his horoscope books. Hand-written Kundli booklets of hundred pages are given to his clients that consists of varying topics stretching from one's family, financial situations to several other life factors.

The massive amount of study that is done for one person is time consuming. Hence, the bookings are made well in advance of around six months. In the world of digitally advancing world, he has never got any ad or website made. It is the word of the mouth that has outshined him. He has clients spread all over the world in places like- Australia, New Zealand, London etc. Not only that, he has earned various awards in the field of Indian astrology.

. He has studied and grabbed some fabulous titles. One such being the "Jyotish Samrat". Nearly every year on Purnima, he organizes an event for mental peace and meditation. Astrologer Mukesh Jain is a prominent name in the field of Astrology and we are glad to announce him as the host of our upcoming show: Fitness Astrology.
